

JEFFERSONIANA

I do hereby certify that from conversations which I have had with Thomas Jefferson, late President of the U. States, I have been, and am now, under an impression, and indeed a belief that he has been in London. - I think that Mr. Jefferson, after the expiration of his mission to France, returned to the U. S. by the way of England -

Dear Sir

The above certificate was obtained from Mr. Kay for the purpose of deciding a Bet between Mr. M. Litch and myself but not proving satisfactory to him, I must beg the favour of you to say whether you have not been in London - or whether you have ever seen the present King of Great Britain - If the above information could have been got here, I should not have taken the liberty (which I beg you'll excuse) to address you.

With great respect

I am Your O<sup>b</sup> Serv<sup>t</sup>
