## Creating new ways to teach history

One year after Monticello's inaugural teacher summit, **Liberty Today**, 18 teachers from across the country came to Monticello to take part in the Liberty Today Teachers' Forum this summer.

**TEACHERS ARE ENCOURAGED TO APPLY!** Find out more about Liberty Today, or sign up to participate in 2013, at [www.monticello.org/liberty-today](http://www.monticello.org/liberty-today).

“Participating with the Liberty Today Forum has been one of the most rewarding experiences I’ve ever had. My excitement for history, technology, and teaching gets supercharged all because of the great people at Monticello and the terrific ideas shared around the table. I appreciate the opportunity to talk to other professionals while enjoying the beauty of the area, excellent food, and building lasting friendships.”
