THOMAS JEFFERSON is best remembered as the author of the Declaration of Independence. The idea that “all men are created equal” with a right to “Life, Liberty and the pursuit of Happiness” established the foundations of self-government and personal liberty in America. Jefferson’s eloquent words of 1776 continue to inspire people of all ages around the world. Today, Jefferson’s home remains a touchstone for all who seek to explore the enduring meaning of what it means to be an American and a global citizen. Since 1923, the Thomas Jefferson Foundation has been dedicated to preserving Monticello, a UNESCO World Heritage Site, and sharing Jefferson’s home and ideas with the world.

The Foundation recognizes Mr. and Mrs. David C. Landin of Richmond, Virginia, for their leadership as Chairs of the Monticello Summit.
