Monmouth July 25. 09

Having desired my relation Mr. George Jefferson to establish a correspondence for me at Richmond for the supply of my provisions at the terms of payment to be observed, he informs me he has arranged with you for my supplies, and that payment shall be made semi-annually. With this I shall accordingly take care to comply. I now, in consequence, subjoin a list of articles detailed which I trust you will some timely assist our Jefferson's knowledge of them enable him to advise you as to their selection in general. I wish our Randolph's boat to be prepared with these. Whilst the amount of smoke you proposed quantities, amounting to 3 months' supply, should be packed in the strongest dressed mahogany of your own, to guard against depredation, the expense of which is small in comparison of the ordinary plunder. be so good as to forward me an account of the articles sent by their prices. I have to acknowledge receiving receipt of 80.40 of coffee from you.
